

TO WHOM IT MAY CONCERN

FEBRUARY 10,2022

This is to certify that DH. Ranjana kumari Mehata, daughter of Dev Nanda Mehta from Harinagar-04, Sunsari, Nepal. She has been working as a post of Dental hygienist from 4th April 2022 to 30th April 2025 in DHARAN DENTAL under my guidance. She performs oral screening, taking digital radiographs, doing oral prophylaxis including polishing procedures, extraction of primary teeth, managing reception area by answering calls, scheduling appointment, co-ordinating with treatments plans and filing patients records. As well as managing all dental departments as well.

During this tenure of work she has proven herself a valuable member of our organization with her hardwork, devotion adding exceptional performance. We hope that she keeps on attaining new heights and success in her future endeavours.

BEST REGARDS
